

December, 2011

Seasons Greetings!

Have you renewed your membership yet?

December is a big month for membership renewals, and our membership committee (thanks Diana Miladin!) has gone out of their way to help you recognize the value of membership in PGRTAZ. For Example: Have you used our on line membership directory yet? You should!

In addition to the value of your membership in PGRTAZ discounts, if your organization is interested in enrolling in the AEBI January endowment building program, you will save \$100 as a PGRTAZ member in this marketing collaborator program.

Our monthly programs to date have been outstanding, and already booked for 2012 are Robert F. Sharpe, Jr, local subject matter expert Maryglenn Boals, Chris Heldman of Legacy Leaders, and our own member, John Scibek.

Please thank attending representatives from the Bank of Arizona and Mutual of Omaha Bank for their annual commitment to us, by funding the monthly programs that allow us to look outside of our local market, as well as book the best of Arizona, for your monthly educational programs.

Our June Summer Forum committee, led by John House, has identified and booked three nationally recognized presenters (watch for our January press releases!), and sponsorship chair Kim Kur has secured the top 4 sponsor positions. Next, her committee will be seeking 12 breakout session sponsors. At \$1500 each, the visibility and benefit for each breakout session sponsor is an excellent value.

Come and join us!

Kathy X. Kramer

President and CEO,

St. Joseph's & Barrows Neurological Foundation
